

**MAINE ASSOCIATION OF HEALTHCARE ADMINISTRATIVE PROFESSIONALS
MEMBERSHIP APPLICATION**

The purpose of this Association is to:

- Provide educational programs to increase job knowledge and skills of members.
- Provide education on State and Federal legislation and regulations regarding the health care field in Maine.
- Establish a network liaison between members with common positions at health care organizations throughout the State of Maine.
- Provide various approaches to mutual activities.
- Maintain affiliation with MHA An Association of Maine Hospitals and Healthcare Organizations.
- Improve communications between National, State and Regional Associations.

Our membership is open to any secretary, administrative assistant, executive assistant, etc. reporting to an individual who is considered "senior/executive management" in their health care facility.
